|-------------|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## December 5 (Friday)

## Room 1

13:30-13:45

### Opening Ceremony

William Tzu-Liang Chen (China Medical University Hsinchu Hospital, Taiwan)

13:45-15:45

### [D1] Live Demo

Moderators: Michael Ka Wah LI (Hong Kong Sanatorium & Hospital, Hong Kong)  
Chien-Chih Chen (Koo Foundation Sun Yat-Sen Cancer Center, Taiwan)

- |             |      |                                                                                      |
|-------------|------|--------------------------------------------------------------------------------------|
| 13:45-15:45 | D1-1 | <b>Robotic SP</b><br>Chien-Chang Lu (Kaohsiung Chang-Gung Memorial Hospital, Taiwan) |
| 13:45-15:45 | D1-2 | <b>lap. LAR Artisential</b><br>Yoon Suk Lee (Seoul St. Mary's Hospital, Korea)       |

15:45-16:15 Coffee Break

16:15-17:10

### [S4] PLND

Moderators: Kay Uehara (Nagoya University Graduate School of Medicine, Japan)  
James Ngu (Changi General Hospital, Singapore)

- |             |      |                                                                                                                                                                                  |
|-------------|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 16:15-16:27 | S4-1 | <b>Anatomy &amp; Boundaries of PLND</b><br>Peter Lee (Royal Prince Alfred Hospital, Australia)                                                                                   |
| 16:27-16:39 | S4-2 | <b>Obstacles &amp; Pitfalls of PLND</b><br>Hye-Jin Kim (Kyungpook National University Medical Center, Korea)                                                                     |
| 16:39-16:51 | S4-3 | <b>Lateral Pelvic Lymph Node Dissection - Strategy Based on Personal Experience</b><br>Shigeki Yamaguchi (Saitama Medical University International Medical Center, Japan)        |
| 16:51-17:03 | S4-4 | <b>Laparoscopic Lateral Pelvic Node Dissection: Transperitoneal and Totally Extraperitoneal Approach</b><br>Sung-Bum Kang (Seoul National University College of Medicine, Korea) |
| 17:03-17:25 |      | <b>Discussion</b>                                                                                                                                                                |

## December 6 (Saturday)

## Room 1

**08:30-09:40**

### [S5] Rectum

Moderators: Abe Fingerhut (Department of Surgery, Medical University of Graz, Austria)  
Antonino Spinelli (Division of Colon and Rectal Surgery at Humanitas University, Rozzano Milano)

08:30-08:42 S5-1 **The Challenge of Staging and Planning Treatments for Low Rectal Cancers  
MERCURY 2 and Long-Term Outcomes**  
Gina Brown (The Royal Marsden NHS Foundation Trust)

08:42-08:54 S5-2 **The Importance of Standards in Optimizing Outcomes in Rectal Cancer**  
Steven Wexner (Ellen Leifer Shulman and Steven Shulman Digestive  
Disease Center, U.S.A.)

08:54-09:06 S5-3 **Minimal Invasive Treatment of Rectal Cancer: Past, Present and Future.**  
Woo-yong Lee (Samsung Medical Center Cancer Hospital)

09:06-09:18 S5-4 **Primary Resectable Rectal Cancer: Is Organ Preservation the New  
Standard?**  
Joseph Nunoo-Mensah (Cleveland Clinic London Hospital, U.K.)

09:18-09:40 **Discussion**

09:40-10:00 Coffee Break

**10:00-12:00**

### [D2] Live Demo

Moderators: Steven Wexner (Ellen Leifer Shulman and Steven Shulman Digestive Disease Center, U.S.A.)  
Seon-Hahn Kim (Universiti Malaya, Malaysia)  
Gyu-seog Choi (Kyungpook National University School of Medicine, Korea)

10:00-12:00 D2-1 **Robotic Xi RH**  
Mina Ming-Yin Shen (China Medical University Hsinchu Hospital, Taiwan)

10:00-12:00 D2-2 **Hugo AR**  
David Tao-Wei Ke (China Medical University Hospital, Taiwan)

**12:00-12:30**

### [L2] Lunch Symposium (II) - Takeda

Moderator: TBA

12:00-12:30 L2-1 **How Fruquintinib is Shaping the Future of Colorectal Cancer Management**  
Hao-Wei Teng (Taipei Veterans General Hospital, Taiwan)

## December 6 (Saturday)

## Room 1

13:00-14:10

### [S6] TNT

Moderators: Joseph Nunoo-Mensah (Cleveland Clinic London Hospital, U.K.)

Feng-Fan Chiang (Taichung Veterans General Hospital, Taiwan)

13:00-13:12 S6-1 **Organ Preservation and Total Neoadjuvant Therapy in Rectal Cancer: Evidences and Future Directions**  
Sung-Bum Kang (Seoul National University College of Medicine, Korea)

13:12-13:24 S6-2 **Response Assessment after Neoadjuvant Therapy for Rectal Cancer**  
In-Ja park (Korea University Medical Center, Korea)

13:24-13:36 S6-3 **Clinical Complete Response Versus mrTRG – What are the Differences and How Can Either or Both be Implemented?**  
Gina Brown (The Royal Marsden NHS Foundation Trust, U.K.)

13:36-13:48 S6-4 **Possible Mechanism of Complete Response to Chemoradiation For Rectal Cancer**  
Gyu-Seog Choi (Kyungpook National University School of Medicine, Korea)

13:48-14:10 **Discussion**

14:10-14:30 Coffee Break

14:30-15:20

### [S7] TPE

Moderators: Chuchep Sahakitrungruang (Chulalongkorn University, Thailand)

Chu-Cheng Chang (China Medical University Hsinchu Hospital, Taiwan)

14:00-14:12 S7-1 **The future of pelvic exenteration**  
Michael Solomon (Royal Prince Alfred Hospital in Sydney, Australia)

14:12-14:24 S7-2 **Challenging the Limits of Extended Pelvic Surgery: Balancing Radicality and Safety**  
Kay Uehara (Nagoya University Graduate School of Medicine, Japan)

14:24-14:36 S7-3 **Preventing Empty Pelvis Syndrome After Radical Resection of T4b Rectal Cancer**  
Songphol Malakorn (Bumrungrad International Hospital, Thailand)

14:36-14:48 S7-4 **Complicate case discussion**  
Chu-Cheng Chang (China Medical University Hsinchu Hospital, Taiwan)  
Cheng-Wei Huang (China Medical University Hospital, Taiwan)

15:20-15:40 Coffee Break

## December 6 (Saturday)

## Room 1

15:40-16:40

### [S8] Global Perspective on Rectal Cancer Management

Moderators: Abe Fingerhut (Department of Surgery, Medical University of Graz, Austria)  
Steven Wexner (Ellen Leifer Shulman and Steven Shulman Digestive Disease Center, U.S.A.)

15:40-15:55 S8-1 **Introduction**

**Chu-Cheng Chang (China Medical University Hsinchu Hospital, Taiwan)**

15:55-16:40 S8-2 **Discussion**

#### **West:**

**Gina Brown (The Royal Marsden NHS Foundation Trust, U.K.)**

**Amjad Parvaiz (University of Portsmouth, Portsmouth, UK)**

**Antonino Spinelli (Division of Colon and Rectal Surgery at Humanitas University, Rozzano Milano)**

**Peter Lee (Royal Prince Alfred Hospital, Australia)**

**Michael Solomon (Royal Prince Alfred Hospital in Sydney, Australia)**

#### **Asia:**

**Shigeki Yamaguchi (Saitama Medical University International Medical Center, Japan)**

**Kay Uehara (Nagoya University Graduate School of Medicine, Japan)**

**Shunsuke Tsukamoto (National Cancer Center Hospital, Japan)**

**Gyu-Seog Choi (Kyungpook National University School of Medicine, Korea)**

**Sung-Bum Kang (Seoul National University College of Medicine, Korea)**

**Simon Siu Man Ng (The Chinese University of Hong Kong, Hong Kong)**

**Chucheep Sahakitrungruang (Chulalongkorn University, Thailand)**

16:40-17:00 Coffee Break

December 6 (Saturday)

Room 1

17:00-18:00

| [S9] Women in Surgery                                                                                                                                                                                          |      |                                                                                                                                                      |

## December 6 (Saturday)

## Room 2

12:00-12:30

### [L3] Lunch Symposium (III) - Pierre Fabre

Moderator: TBA

12:00-12:30 L3-1 **Precision Oncology in Colorectal Cancer: Focus on BRAF V600E Mutation**  
Ko-Chao Lee (Kaohsiung Chang Gung Memorial Hospital, Taiwan)

13:00-14:10

### [S12] Education

Moderators: In-Ja park (Korea University Medical Center, Korea)

Chao-Wen Hsu (Kaohsiung Veterans General Hospital, Taiwan)

13:00-13:12 S12-1 **Educating for Impact: The Untapped Potential of Surgeon-Educators in Global Health**

Hyunmi Park (Korea University College of Medicine, Seoul, Korea)

13:12-13:24 S12-2 **Hurdles Facing the Non-Native English-Speaking Surgeon-Scientist**

Abe Fingerhut (Department of Surgery, Medical University of Graz, Austria)

13:24-13:36 S12-3 **Improving Surgical Quality**

Woo-yong Lee (Samsung Medical Center Cancer Hospital, Korea)

13:36-13:48 S12-4 **HK training system for colorectal surgeons.**

Simon Siu Man Ng (The Chinese University of Hong Kong, Hong Kong)

13:48-14:00 S12-5 **Shaping the Next Generation: Laparoscopic Colorectal Surgery Training in Thailand**

Siripong Sirikurnpiboon (Rajvithi Hospital, Thailand)

14:00-14:10 **Discussion**

14:10-14:30 Coffee Break

## December 6 (Saturday)

## Room 2

14:30-16:10

### [S13] Fistulas

Moderators: Joseph Roy Fuentes (Rizal Medical Center, Philippines)  
Yuan-Tzu Lan (Taipei Veterans General Hospital, Taiwan)

|             |       |                                                                                                                                                                          |

16:10-17:10

### [S14] Debate

Moderators: TBA

16:10-17:10 S14-1 **TBA**

## December 7 (Sunday)

## Room 1

08:30-09:40

### [S15] Lap. vs Roba

Moderators: Jeng-Fu You (Linkou Chang-Gung Memorial Hospital, Taiwan)  
Hung-Hsin Lin (Taipei Veterans General Hospital, Taiwan)

08:30-08:42 S15-1 **Robotic Surgery is Not Just Robot-Assisted Laparoscopy**  
James Ngu (Changi General Hospital, Singapore)

08:42-08:54 S15-2 **Robotic Surgery for Colorectal Cancer**  
Shunsuke Tsukamoto (National Cancer Center Hospital, Japan)

08:54-09:06 S15-3 **Laparoscopic Approach for Colorectal Surgery, Is It Obsolete?**  
Chucheep Sahakitrungruang (Chulalongkorn University, Thailand)

09:06-09:18 S15-4 **The Role of Minimally Invasive Rectal Cancer Surgery: Lap vs Open vs Robotic RCT's**  
Michael Solomon (Royal Prince Alfred Hospital in Sydney)

09:18-09:40 **Discussion**

09:40-10:00 Coffee Break

10:00-12:00

### [D3] Live Demo

Moderators: Mina Ming-Yin Shen (China Medical University Hsinchu Hospital, Taiwan)  
David Tao-Wei Ke (China Medical University Hospital, Taiwan)  
Shigeki Yamaguchi (Saitama Medical University International Medical Center, Japan)

10:00-12:00 D3-1 **Robotic TME**  
Amjad Parvaiz (University of Portsmouth, Portsmouth, UK)

12:00-12:30

### [L4] Lunch Symposium (IV) - Amgen

Moderator: TBA

12:00-12:30 L4-1 Debate  
Chih-Chien Wu (Kaohsiung Veterans General Hospital, Taiwan)  
Yen-Chen Shao (China Medical University Hsinchu Hospital, Taiwan)

## December 7 (Sunday)

## Room 1

### 12:30-13:00

#### 醫療貢獻獎

|             |                   |
|-------------|-------------------|
|             | 引言                |
| 12:30-13:00 | 楊純豪(恩主公醫院)        |
|             | 頒獎                |
|             | 陳自諒(中國醫藥大學新竹附設醫院) |

### 13:00-13:30

#### 會員大會

|             |          |
|-------------|----------|
| 13:00-13:30 | 陳自諒理事長致詞 |
|             | 頒發會員證書   |

### 13:30-14:55

#### [S16] Colon Surgery

Moderators: Yoon-suk Lee (Seoul St. Mary's Hospital, Korea)

Shih-Ching Chang (Taipei Veterans General Hospital, Taiwan)

|             |       |                                                                                                                                                          |
|-------------|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
